

Best Game Ever

Crayola Crew Creative Thinking Sheet

RESPOND to the video that shows the Crayola Crew inventing a new game. They make a Game Mixer-Upper spinner that suggests new ways to play with every turn of the wheel. What game ideas would you add to a spinner? How could your favorite games spark new ideas as you blend rules and themes to invent mixed-up games?

CREATE a spinning wheel like the one the Crayola Crew made. On each slice of the wheel write or sketch a game idea. You might want to include some they suggested like Hide and Sneak, Flower Fencing, or Dragon Dance-Off, but be sure to add your own original ideas too.

SKETCH OR WRITE A GAME IDEA
IN EACH SECTION OF THE WHEEL.

PRESENT your wheel to friends and family and ask if they have other favorite games they would like you to add. Just slice the wheel into more pieces, like a pie, to add more game ideas.

CONNECT your Game Mixer-Upper Wheel with another fun activity. Toss a small object, like a coin or a pebble, on the wheel and play the game it lands on. Give everyone a chance to toss an object and direct the game play.
