

Johnny Appleseed Day

Introduction: Johnny Appleseed Day is September 26th. This day is set aside to honor John Chapman (a.k.a. Johnny Appleseed).

Kindness:

- [Tips](#) on teaching children to be kind. This site even offers book suggestions based on age!
- Play [The Banana Game](#) to teach the importance of being kind.
- Log into [PBS Kids.org](#) to register your acts of kindness – the goal is one million!

Resources:

- Free [apple unit](#), another [awesome apple unit](#) with a FREE download of 20 printables! Or get inspired with [Videos](#) showing a fun math game idea, bead sorting idea and circle time song I like Apples
- [Books](#) to go along with the apple theme, printable [Parts of an Apple](#), or this [story and crossword](#) for comprehension
- Comparing [apples](#), [Exploring apples](#) - will they sink or float? [activities](#) or a [Counting Activity](#) for preschoolers - using fingerprint to paint the correct number of apples in each square
- Outstanding set of [apple crafts](#) for kids
- Snack idea -[rice krispy treats](#) that look like apples
- Check out [our pinterest board](#) songs, crafts, worksheets, snacks and more

Facts about Johnny Appleseed

1. His real name was John Chapman; he was born in Massachusetts in 1774.
2. Planted seeds everywhere – it is speculated he planted 100,000 square acres.
3. Used the money he made to plant more trees or help people in need.
4. He did not eat meat because he did not want to harm animals.
5. He was a kind and gentle person.
6. If a person could not pay for the tree, he would give it to them.
7. During his time the "West" was places like Ohio, Michigan, Indiana, and Illinois.
8. He spent 46 years of his life planting trees!
