HOLI MEHNDI HENNA COLORING PAGE

Mehndi art is traditionally created using a paste made from henna leaves, and is a cheerful feature of festivals, celebrations and joyful gatherings. This ancient temporary tattoo art-form often draws inspiration from mandala and rangoli designs, which are said to welcome in good luck, health, joy, and positive vibes.

What colors will you use to decorate your Holi Mehndi Henna hand?

Use your imagination and add to the design!

Known as the Festival of Colors, Holi celebrates the arrival of spring, the spirit of love, and the promise of new beginnings.

What tree fits in your hand?

A PALM tree!

This is how 'Mehndi' is written in Hindi (one of the many beautiful languages spoken in India):
